DD/S&T-1763-63

Major General Marshall Stubbs
Department of the Army
Office of the Assistant Chief of
Staff for Force Development
Washington 25, D. C.

Dear General Stubbs:

The invitation to be your guest at Edgewood Arsenal is appreciated, but in view of other current demands on my time I feel I must regretfully settle for the briefing you were good enough to present to us on 14 October 1963.

I should like to feel, however, that at some future time I may be able to avail myself of the opportunity. In this connection, it also occurs to me that selected senior officers of my organization having responsibilities that bear on CBA matters may profit by receiving the type briefing outlined in your invitation. I would appreciate the opportunity of using your good offices to make this possible. Such cases could be called to your attention by our established liaison channels.

Sincerely,

John A. McCone
Director

The attached correspondence represents the first circulation of what I trust will be a weekly chronological file of correspondence internally originated which should be of general interest to DD/S&T staff members.</p> <p>2. While I realize it is somewhat superfluous to make mention of the following fact, I should like to stress the sensitivity of some of the material in this compilation, as well as any other material which will be circulated in the future.</p>
